

Resolution of the Nisqually River Council

March 2008

WHEREAS the Nisqually River Council's Watershed Stewardship Plan calls for collaborative and sustainable governance practices, AND

WHEREAS the parties named below have engaged in cooperative efforts "across the aisle" to support the creation of a new State Park on the Nisqually River, AND

WHEREAS the same parties have collaborated across governmental jurisdictions to assist the Upper Nisqually Community in the creation of a Performing Arts Center and Mountaineering Museum, AND

WHEREAS these actions promote a healthy watershed with engaged communities, valued environments, and dynamic economies,

THREFORE, BE IT RESOLVED THAT Washington State Senator Marilyn Rasmussen and Pierce County Councilman Roger Bush are hereby awarded the Nisqually River Council's 2007 Sustainability Award for "Governance".
